**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I specifically chose Sonic as my broadband internet provider because they are the only company that is local to the area, and not part of a large media conglomerate.

They provide personal service, excellent bandwidth, and competitive rates.

As a consumer, I like having a choice other than just "the big guys".
